

CUSTOMER  
SUCCESS

## Free Methodist Foundation

When Free Methodist Foundation went looking for an expense management solution that would integrate with Blackbaud Financial Edge NXT, one solution rose to the top of the list: Paramount WorkPlace.

“ We ultimately decided that Paramount WorkPlace offered the strongest value, the broadest functionality, and the best customer support. ”

- Joe Crupper, CPA, Director of General and Trust Accounting for Free Methodist Foundation

  
CHALLENGES

- Expense reports took too long to process
- Duplicate data entry required
- Little visibility into expense spending

  
REQUIREMENTS

- Easily capture expense and credit card receipts
- Mobile functionality for traveling staff
- Integration with Blackbaud Financial Edge NXT

  
SOLUTION

*Paramount WorkPlace Expense Management Solution, integrated with Blackbaud Financial Edge NXT.*

- Paramount WorkPlace provides a power, flexible, easy-to-use electronic expense management solution that speeds and streamlines expense processing throughout the organization.

  
BENEFITS

- Cloud deployment requires no internal IT resources
- Improved insight into and control over corporate credit card spend
- Expense reports processed more quickly than before
- Mobile app empowers employees to enter expenses on the go
- Integration with ERP eliminates need for duplicate data entry
