

CUSTOMER SUCCESS

Urban Land Institute

Urban Land Institute sought a way to speed and streamline its procure-to-pay-cycle, empowering its 80 offices around the globe to enter and monitor vendor invoices and check requests.

“Paramount WorkPlace offers just what we want. It writes and receives data directly from Microsoft Dynamics GP. There are no imports and exports so the data is available in real time.”

- Steven Slepian, SVP Finance, Urban Land Institute

CHALLENGES

- Payment processing was taking too long
- Staff spend hours on manual data entry
- Little visibility into the procure-to-pay cycle

REQUIREMENTS

- Simple, intuitive interface
- Multi-currency support
- Integration with Microsoft Dynamics GP

SOLUTION

Paramount WorkPlace solution addresses each of Urban Land Institute's procure-to-pay requirements and provides the visibility and audit trail that the nonprofit organization values.

BENEFITS

- Cloud deployment requires no internal IT resources
- Improved insight and auditability into the procurement cycle
- Check requests processed in an average of 4 days
- Multi-currency capabilities support global operations
- Integration with ERP eliminates need for duplicate data entry
